# Our role as Donor Programme Partner for the Programme Operator and the Programme Partner

---

- Strategic advisor for the PO (The Ministry of Finance) and the PP (The Ministry of Health) regarding the Czech “HEALTH” Programme during planning and development of the programme
- Collaborator and adviser to the PO and the PP during the implementation phase
- Facilitate the development and establishment of bilateral partnership at project level
- Contribute to strengthening cooperation between institutions in the Czech Republic and Norway in the field of public health both at operational, municipal and governmental level

# 2009-2014 results in the Czech Republic

The screenshot shows a web browser displaying the EEA Grants website. The address bar shows the URL <https://eeagrants.org/Results-data>. The page has a blue navigation bar with links: NEWS, WHO WE ARE, WHAT WE DO, WHERE WE WORK, HOW TO APPLY, PARTNERSHIPS, and RESULTS & DATA. Below the navigation bar, there is a breadcrumb trail: FRONTPAGE > RESULTS & DATA.

On the left side, there is a sidebar menu under the heading "RESULTS & DATA" with the following items: MANAGING FOR RESULTS, MANAGING RISK, EVALUATIONS, DOCUMENTS (with a red arrow), TOOLBOX FOR PROGRAMMES (with a red arrow), and 2004-2009 ARCHIVE.

The main content area is titled "EXPLORE OUR RESULTS". It contains the following text: "Are you curious about the impact of the EEA and Norway Grants? Visit the data and results portal to dive into the numbers behind the funding." Below this text is a link: [Enter the portal](#).

The central graphic is a donut chart showing the distribution of funding. The total amount spent is €131 800 000. The chart is divided into three segments: a large grey segment for the Czech Republic, a blue segment for Iceland, Liechtenstein, and Norway, and a red segment for Norway. In the center of the chart, it states: "15 Programmes" and "904 Projects".

Below the chart, there is a caption: "to reduce social and economic disparities across Europe and to strengthen bilateral relations in 2009–2014 funding period".

At the bottom of the page, there is a cookie notice: "Our website uses cookies. Continue to use the site as normal if you accept this. Read more about our use of cookies [here](#)." There is a close button (X) for the notice.

The Windows taskbar at the bottom shows the system tray with the date and time: 16.46, 23.07.2018.

**100%** recommend entering a partnership

## Main obstacles

- Delayed start
- Administrative and financial challenges

**85%** would engage in new partnerships

## Success factors

- Focus on a specific scientific problem
- Trust
- Enthusiasts!

# Ambitions and expectations for bilateral outcomes of the cooperation

- Collaborate and contribute with advices and support to the benefit of the Czech “HEALTH” Programme during planning, development and implementation
- Contribute to the establishment of fruitful and sustainable bilateral partnerships between Norwegian and Czech institutions
- Overall contribution to a successful Czech “HEALTH” Programme
  - to the benefit of Czech authorities, institutions and organisations working in the field of public health and specifically in the field of mental health
  - to the benefit of families and children in the Czech Republic
  - to the strengthening of sustainable bilateral partnerships at all levels
